

Remarks

Status of Claims:

Claims 16, 28, 29, and 31 are indicated as allowable, claims 10-13, 15, and 27 stand rejected, and claim 30 is objected to.

This response amends Claim 10 to include claim language of claims 27 and 30, and cancels claims 27 and 30. No new matter is added.

The Examiner's indication of allowable subject matter is appreciated.

Applicant respectfully disagrees with the Examiner's rejections. However, in order to further prosecution and allowance of the claims indicated to be allowable, the above amendments are made to place the application in condition for allowance.

The Applicant reserves the right to file one or more continuation applications with claims as originally or previously presented.

Based on the foregoing, all pending claims are in a condition for allowance. Accordingly, Applicant respectfully requests reconsideration and allowance.

Respectfully submitted,

/Gerry Gressel/
